

## TICINO

design Shibuleru

Stackable chair in solid ashwood, available in its natural colour or charcoal dyed, with a weaved seat in "emptied" plywood. The weaving of the seat is available with a cellulose cord in colours in the collection or padded with an expanded polyurethan sheet covered in acrylic fibre layers. Covered in fabric, leather or Cuoietto, as shown in the sheet below, and completely removable through divisible zippers. The support to the ground is secured through a PVC support with interchangeable feet (in black PVC or felt) depending on the floor.
