

CLAN

design Piero Lissoni

Sofas and armchairs with fir honeycomb structure; for the sofas base in poplar plywood with inserted 25x25 mm section tubular steel frame, painted with epoxy powders; for the armchairs base in plywood only. In both versions belted seat with rubber-covered elastic strip springing. Padding in differentiated density polyurethane foam and cover in 100% polyether coupled with thermos-fixed polyamide velveteen backing. Seat cushion in differentiated-density polyurethane foam, covered with a polyester fibre cover with ago-treatment and resin bonding with polyamide velveteen backing. Support cushions 42x42 cm for armchairs, 50x50 cm or 50x70 cm for sofas, made of washed and sterilised goose down, enclosed in separate sectors.

Feet made of laser-cut sheet steel, painted with epoxy powders in gunmetal grey or burnished colour.

Floor support guaranteed by thermoplastic material supports.

Leather or fabric upholstery fully removable by means of zips and Velcro straps.

Seat depth: Clan PICCOLA 45/66 cm;

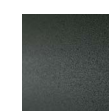

Clan Grande 59 cm;

Clan Bassa 71 cm;

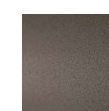

Clan Alta 71 cm.

Sofa 83 - 84 - 85 cm.

Notes

For the Clan Bassa and Clan Alta armchairs upholstered in textured or striped fabrics and leather, the inner back upholstery is made with two seams, while the outer upholstery has one central seam. For all sofa sizes, the covers are always made with two inner and two outer seams.

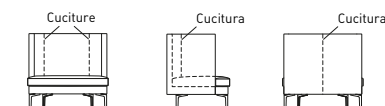

According to the product shape, some coverings cannot be used; please refer to the adaptability sheet in the "Materials" section of the website.

For leather coverings the "Leather A" or "Leather B" Maintenance Kit is included with the product.
