

Ile Pouf (indoor - outdoor)

design Piero Lissoni

Stool in different heights and sizes available for indoor and outdoor.

Indoor: Base in AISI 304 stainless steel square-section tube, matt satin-finish. Seat frame in plywood padded with polyurethane foam covered with acrylic fibre layers, with fabric or leather upholstery.

Outdoor version: Base in AISI 316 stainless steel square-section tube, matt satin-finish. Seat frame in marine plywood padded with open cell structure polyurethane foam DRYFEEL S, covered with fibre layers for outdoor and upholstery with outdoor fabrics only. Both versions fully removable by zippers.
