

Rodwood – Rodwood XL

design Piero Lissoni

Sofa and armchair. Supporting structure in lacquered drawn tubular steel, seat sprung with coated rubber elastic straps. Backrest and armrest structure in 10mm HPL panel, veneered with heat-treated oak plates with water-based acrylic paint finish. Back and seat cushions in prewashed and sterilized goose down, with polyurethane foam insert. The seat cushions are quilted with buttons at sight or, on request, quilted without buttons. Armrest cushions in polyurethane foam covered with prewashed and sterilized goose down, with a poplar plywood supporting panel fixed to the frame by plug-in hinges. Stainless steel feet, polished or matt-satin finish, screwed to the base with a bushing. Fabric or leather upholstery, both fully removable by zippers and Velcro fastenings. Seat depth 60-80cm.
