design Piero Lissoni

Sofa and armchair with one-piece frame in double-paneled poplar and pine. Support in coated rubber elastic straps. Shell padding in differentiated density polyurethane foam. Covering in 100% polyether thermally bonded onto a polyamide velveteen backing. Seat cushions in prewashed and sterilized goose down, stitched into separate compartments, with "Waterlily TM" polyurethane foam insert. Supporting pillows in prewashed and sterilized goose down. Feet in seasoned, natural beech wood or, on request, in walnut or black lacquered. Fabric or leather upholstery, standard with floor-length flounce, both fully removable by zippers and Velcro fastenings. Only for armchair frame upholstery in hide, in the colours of our collection. The "raw edge" seams are available only with upholstery in wolen fabric, leather and hide; all other fabric upholstery have standard seams. Seat depth 75-90cm.
