design C.R.S.

Sofa, sofa bed and armchair with one-piece frame in double-paneled poplar and pine. Support in coated rubber elastic straps. Shell padding in differentiated density polyurethane foam. Covering in 100% polyether thermally bonded onto a polyamide velveteen backing. Seat cushions with preformed, differentiated density polyurethane foam structure, coated with acrylic fibre layers. Backrest cushions in prewashed and sterilized goose down, stitched into separate compartments. Adjustable feet in seasoned natural beech; on request available in walnut dyed or black lacquered. Fabric or leather upholstery. The fabric version only is standard with flounce, and fully removable by zippers and Velcro fastenings. The leather version is always without flounce and non-removable upholstery. The version with pull-out bed has electro-welded orthopedic base, high tensile steel frame with epoxy powder coating finish. Steel spring mattress with 100% cotton cover. Cover in fabric, to protect the base. Seat depth 58cm.
