

CHAUFFEUSE

design Piero Lissoni

Armchair with frame in poplar and pine plywood. Support in cross-woven, coated rubber elastic straps. Frame padding in differentiated density polyurethane foam. Covering in needle punched, resinated, non-woven polyester fibre, bonded onto a polyamide velveteen backing and 100% polyether thermally bonded onto a polyamide velveteen backing.

Seat cushion in prewashed and sterilized goose down, stitched into separate compartments with insert in polyurethane foam. Base in solid oak wood with acrylic painting, natural polished or charcoal-dyed. Fabric or leather upholstery. The fabric version only, also available with flounce 12 cm from the floor, is fully removable by zippers and Velcro fastenings. The leather version is always without flounce and with non-removable upholstery. Seat depth 60 cm.

Notes

On request, both bergère and footrest are also available with flounce for fabrics upholstery only.

The version with flounce is not available for leather and velvet upholstery.

According to the product shape, some coverings cannot be used; please refer to the adaptability sheet in the "Materials" section of the website.

For leather coverings the "Leather A" or "Leather B" Maintenance Kit is included with the product.
