

# HOMES

- 106 **Meditative minimalism** Contemporary Japanese design brings a harmonious feel to a Victorian terraced house in Melbourne
- 116 **Timeless by nature** A newly built barn in southern Sweden blends organic finishes and design classics for a polished take on the rural aesthetic
- 128 **Simplicity in the city** Mediterranean meets Scandi style: what happens when a Danish interior designer revitalises a neglected Mallorcan apartment
- 136 **Setting the scene** Le Corbusier's Modernist colour palette makes a splash in a 1960s high-rise in Hollywood. Cue fresh blues, coral pinks and cloudy greys
- 150 **Bauhaus to home** This light-filled 1920s house by Walter Gropius in the German city of Jena has been restored to its former beauty
- 160 **Past perfect** Modern design marries with old-world glamour in an eclectic Art Deco apartment on the outskirts of Paris

## ESCAPE

- 173 **News** Britain's best late-summer festivals, a contemporary Greek island retreat and the latest restaurant openings in London's financial district
- 183 **Gardens** Naturalistic planting, garden workshops and a festival of flower farms
- 185 **Getaway** Spend September exploring Athens's rich history and budding design scene
