Relive Living Divani best moments

Living Divani decides to tell the story of its collections through videos that illustrate the products in a new way, juxtaposing different scenarios with the brand's signature contemporary design, to convey an unexpectedly poetic vein to each episode.

Awards and Recognitions

Numerous awards have confirmed the design unicity of Living Divani products in this first part of 2024. From Wallpaper magazine, which in January elected the Alvea console table as "Best Wedge", to the Pebble Stool, a recent proposal that won the NYCxDesign Awards 2024, for the Residential Seating category. Among the timeless collection, the bestseller Extrasoft was cited by the New

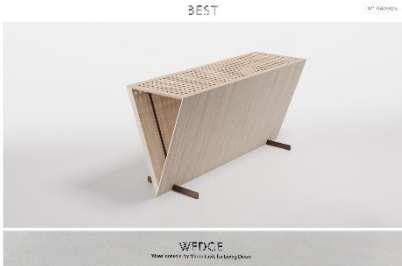

York Times as one of the 25 most significant furniture products of the last 100 years.

Collaborations & Exhibitions

The vocabulary of collaborations involving Living Divani opened up to new interpretations again this year. We find consolidated partnerships, such as the one with Automobili Lamborghini for the setting up of the Lounge in Porto Cervo, alongside new presences in the world of art such as the SIMPLE Japanese Design exhibition or metaphorical readings of the products in the

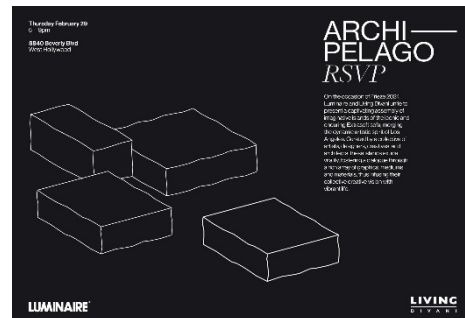

collection, such as the Extrasoft sofa, on the occasion of Frieze 2024 or the Family Chair family for the 70th anniversary of INTERNI.
