## **January-February 2020**

Living Divani welcomes 2020 with two new catalogues. "Next 2019" which shows the novelties through evocative images and "The Uncollected Collection", entirely dedicated to the limited edition serie between art and design, signed by Piero Lissoni. All the shots bring the spirit and the stylistic code of the artist-photographer Tommaso Sartori who, once again this year, managed to capture the soul of the brand and make it visible in refined and suggestive images.
