EN PLEIN AIR

Un viottolo, una radura, un prato, una piscina, un'altana, un declivio, una siepe, un anfratto. Nel verde ogni cosa rinasce. Due poltroncine sembrano anticipare l'arrivo degli ospiti. Un gruppetto di sedie sogna chi le occuperà. Un tavolino pregusta la sorpresa di un incontro. Un grande divano immagina le conversazioni che saranno intrecciate su di lui. Lo spazio è come un teatro vivente che si apre largo e armonioso, in attesa di essere invaso da voci e presenze.

—

A path, clearing, meadow, swimming pool, turret, slope, hedge, or cleft. Everything is reborn from green. Two armchairs seem to anticipate the arrival of guests. A group of chairs dream about the people who will sit on them. A coffee table looks forward to the surprise of an encounter. A large sofa imagines the conversations that will be interwoven upon it. The space is like a living theatre which opens up, large and harmonious, waiting to be invaded by voices and presences.
